

Family Circus Children's Ministry Update  
Volume 364 No.39 September 1, 2009  
by Darrell Blatchley - Missionary to Asia's Little Ones  
**“Gaining Weight”**

Hello again, friends.

The end of the year is approaching. At Family Circus, we have been able to increase the amount of food being given to the 2,000+ malnourished children, supplying up to seven meals a week, and we are beginning to see measurable improvement in their weight.

Recently Lyn-Lyn, a widow, came and testified that two of her three children are for the first time considered normal in their weight and are no longer malnourished--we rejoice in their *gaining weight*. We will continue to supplement the food of this widow's family to insure that her children do not again enter the dangerous stages of malnutrition. A malnourished child loses both muscle and brain power as the body is cannibalized by its need for food.

The numbers of kids and their families coming to the Family Circus continue to increase, and we love seeing their lives changed on every level.

We remain extremely thankful for all that friends in partnership have done for the Family Circus Children's ministry and the hungry children in Davao City Philippines.

Thank you for all your prayers and assistance.

For the King & His kids,  
Darrell & Sandy Blatchley

P.S. We are currently packing crates preparing to ship a container to the Philippines. It will hold donated medical supplies, equipment and an assortment of items for the children and ministry including, tools, school supplies, clothing, toys, etc.

If you are interested in assisting us with this project - either with a donation of goods or to help with the \$7,000-8,000 cost of shipping – contact us.
